Three handwritten signatures in blue ink are written over three horizontal lines. The top signature is the most legible and appears to be 'Joseph Kelley'. The middle signature is less legible but appears to be 'L. Parker'. The bottom signature is 'J. D. Hotchkiss'.

Called to order at 5:57 P.M

BOS Members Present: J. Hotchkiss, L. Parker, B. Lawrence

B. Lawrence spoke to the Fire Marshall regarding the assembly regulations. He does not understand the need for the assembly regulations. He advised that NFPA 1 & 101 rules are sufficient. J. Hotchkiss asked if there is any outline of the NFPA 1 & 101. J. Hotchkiss reviewed the assembly regulations packet provided by T. Brown and M. Schwarz. He does not like the wording in the regulations. J. Hotchkiss reads aloud the section. J. Hotchkiss objects to the Fire Chief being responsible for all the laws listed, example labor laws, MUTCD. B. Lawrence spoke to the Labor Board and they do not feel this is necessary. B. Lawrence also spoke to R. Washburn and feels the MUTCD requirements are more within his field of expertise. J. Hotchkiss feels that the checklist provided is sufficient, but it should include the Town of Middleton on the top. The permit provided by the state is also sufficient. J. Hotchkiss feels these documents are the ones that should be recommended to adopt. L. Parker will adjust the forms to include the N/A column on the checklist and include Town of Middleton on the heading. L. Parker will add it to the BOS agenda for Monday February 2, 2016.

Workshop adjourn @ 6:09 PM.
